# Who are We?

Adeara is an accredited addiction recovery centre for women and their children. Our long-term, faith-based program is offered in a residential setting, guiding women through each stage of their recovery journey—from addiction to sobriety, and ultimately reintegrating into the community.

## Why Partner with Us?

We believe that Adeara and our local churches are different parts of the same body of Christ. It's important to us to work together in our common goals to serve our city with love, compassion, dignity, respect, integrity, and accountability just as Christ exemplified for us.

We also believe in the unique strengths of both of our institutions. Alongside one another, we can help one another meaningfully accomplish our broader missions.

●●● **thrift store**

More Than a Fad Thrift Store is an important branch of Adeara, raising funds for Adeara's programming through its sales of second-hand clothing, home goods, furniture, books, antiques, and more. Led by a small team of staff and a dedicated body of volunteers, More Than a Fad is driven to go beyond the ordinary in all facets of its operations.

# How We Can Partner

## Join Us in the Coldest Night of the Year

If groups within your congregation are looking for meaningful, local service opportunities, consider partnering with Adeara through Coldest Night of the Year every February. This free event is a group fundraiser where teams raise money together for Adeara and then partake in a 2K or 5K walk in solidarity with those experiencing hurt, hunger and houselessness. It's a great activity to get small and large groups engaged with the community in an approachable and meaningful way.

## Financial Support

As an organization dedicated to serving vulnerable women in Edmonton, we would be honoured to be considered in your local missions giving. Your financial support towards Adeara's programming will help us provide hope, healing and restoration for women who have experienced none. Whether you choose to be a monthly partner or gather a dedicated offering to Adeara once a year, we deeply appreciate your generosity.

## Pray With Us

Unite with us on the battlefield of prayer against the most devastating destruction and brokenness in our city. Our monthly prayer email newsletter offers a glimpse into the daily challenges our residents face and provides specific prayer requests that your leadership or congregation can fulfill.

**Email [kendra@adeara.ca](mailto:kendra@adeara.ca) to be put on the prayer email list.**

## Sunday Service

Invite Adeara to your church to share about how God is moving in our city and touching lives through our partnership. A speaking event at your church can build awareness and compassion for the most vulnerable women in our city, connect congregations to the work God is doing here and now, and offer transparency into the community partnerships of your church.

**Contact [lori@adeara.ca](mailto:lori@adeara.ca) to discuss speaking opportunities.**

## Recovery Coffee

If your church has a cafe, consider using Recovery Coffee, roasted locally by the Wall Coffee Roasters. A portion of every sale of beans goes to Adeara.
