Who We Are

Adeara is an accredited addiction recovery centre for women and children. Our long-term, faith-based program guides women through each stage of their healing journey—from addiction to recovery, and ultimately reintegrating into healthy community.

Why Partner with Us?

We believe that Adeara and our local churches are different parts of the same body of Christ. It's important for us to work together in our common goals to serve our city with love, compassion, dignity, respect, integrity, and accountability just as Christ exemplified for us.

We also believe in the unique strengths of both of our institutions. Alongside one another, we can meaningfully partner to accomplish our broader missions.

● ● ● thrift store

More Than a Fad Thrift Store is an important branch of Adeara, raising funds for Adeara's programming through its sales of second-hand clothing, home goods, furniture, books, antiques, and more. Led by a small team of staff and a dedicated body of volunteers, More Than a Fad is driven to go beyond the ordinary in all facets of its operations.

How We Can Partner

Volunteer

A meaningful way to partner with us is through local service opportunities. More Than a Fad welcomes small and large groups of volunteers for single-day or recurring volunteering. Additionally, groups of all ages can also sign up to assist with Adeara events throughout the year. We host a variety of fundraising events that always require volunteer support.

Visit adeara.ca/volunteer or email volunteer@adeara.ca for volunteering opportunities.

Pop-Up Events

Want to add something fun and unique to your next church event? Invite More Than a Fad to bring a pop-up thrift booth! We will set up a mini-thrift store right at your event—complete with racks of clothes, accessories, books, and more. It's an easy way to bring the thrifting experience straight to your community while supporting the work at Adeara.

For more information to host a pop-up event at your church email hello@morethanafad.

Financial Support

As an organization dedicated to serving vulnerable women in Edmonton, we would be honoured to be considered in your local missions giving. Your financial support towards Adeara's programming will help us provide hope, healing and restoration for women and their children. Whether you choose to be a monthly partner or gather a dedicated offering to Adeara once a year, we deeply appreciate your generosity.

Visit adeara.ca/donate or email engage@adeara.ca for more information.

Pray With Us

Unite with us on the battlefield of prayer against the most devastating destruction and brokenness in our city. Our monthly prayer email newsletter offers a glimpse into the daily challenges our residents face and provides specific prayer requests that your leadership or congregation can fulfill.

Email engage@adeara.ca to be put on the prayer email list.

Sunday Service

Invite Adeara to your church to share how God is moving in our city and touching lives through our partnership. A speaking event at your church can build awareness and compassion for the most vulnerable women in our city, connect congregations to the work God is doing here and now, and offer transparency into the community partnerships of your church.

Contact lori@adeara.ca to discuss speaking opportunities.

Recovery Coffee

If your church has a cafe, consider using Recovery Coffee, roasted locally by the Wall Coffee Roasters. A portion of every sale of beans goes to support Adeara.
