About Adeara Recovery Centre

Adeara is an accredited addiction recovery centre for women and their children in Alberta. We provide long-term residential programming that is designed to treat women from a bio-psycho-social-spiritual perspective.

We're proud to be one of the few addiction recovery centres in Canada that accept both women and their children; and are one of the lengthiest programs in the country.

Adeara's long-term program is built to end the cycle of addiction, not just for one woman, but for her children and their future children.

OUR IMPACT

In 2022/23 90% of the women entering our program were mothers. 89% were given the chance to rebuild and restore their relationship with their children because of the commitment they made to the Adeara program and their recovery.

Women in the program report that they:

- ✔ Feel equipped with community resources to support their recovery
- ✔ Feel better prepared as a mother
- ✔ Have a better understanding of their addiction
- ✔ Have an increase sense of hope for their future
